A stylized illustration in a light gray, hand-drawn style. It depicts two figures, one on the left and one on the right, both in profile. The figure on the left is holding a long, thin tool (like a chisel or plane) and is working on a large, rectangular block composed of many vertical lines. The figure on the right is also holding a similar tool and working on the opposite side of the block. Below the block, the word 'EDUCATION' is written in a simple, blocky, uppercase font. The entire illustration is set against a background of horizontal lines, suggesting a notebook or a grid.
